

Brightwater Club POA Telephone Access Instructions

When someone comes up to the gate there a display panel provides a telephone connection to reach you. To do this they Press and release # repeatedly to scroll through the directory and enter the three-digit number of the desired party.

Calls will be received from either **524-2124 (North Gate)** or **524-2022 (Guard House)**.

From your phone, **press 5#** to open the gate. For large vehicle access at the gatehouse, inform the driver that they will need to go through the outside gate, wait a few seconds to allow them to reposition their vehicle, and **press 9#** which will open up the outside gate of the main entry.

If you would like to have a unique gate code issued to a service provider or temporary guest, please contact Marchetti & Weaver to set this up.
