## **2020 BUDGET MESSAGE**

Valagua Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to provide financing for the design, acquisition, construction, installation and operation and maintenance of public improvements including streets, water, sanitary sewer and storm drainage, park and recreation, traffic and safety protection, telecommunication systems and services, transportation, fire protection and mosquito control.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

## **2020 BUDGET STRATEGY**

The District will continue to levy an operating mill levy of 15 mills to cover administrative costs of the District. Due to budget constraints the District no longer provides contracted services for the public safety and is instead depended on the Eagle County Sheriff's office and the Brightwater Club Property Owners Association.

The District will levy 51.308 (50 mills "gallagherized" for the change in the residential assessment rate) for debt service, which is not sufficient to cover the debt service expenditures for the year. Although a shortfall in funding is a material event under the documents of the Series 2008 General Obligation Bonds, the Bonds will not be in default as long as the District continues to levy the 50 mills gallagherized for debt service. Such shortfalls will be accrued to future years and will be paid if and when funding becomes available.
