Telephone Access Instructions

When someone comes up to the gate there a display panel provides a telephone connection to reach you. To do this they Press and release # repeatedly to scroll through the directory and enter the three-digit number of the desired party.

Calls will be received from either **970-524-2022 (Main Gate)** or **970-524-2124 (North Gate)**.

From your phone, **press 9#** to open the gate at the location the call is being received from.

For large or heavy vehicle access, inform the driver or company that they will need to go through the **North Gate** to avoid damages to the wooden bridge or the gate house.

If you need a transponder for a vehicle, or would like to have a unique gate code issued to a service provider or temporary guest, please contact Elevated Colorado Management to set this up.
